ZERO DEFECTS WITH NO LOST TIME

Registered Fabricator for Defense Industry Parts
Security and Confidentiality
Highest Standards of Data Protection

Phone: 979-567-0808

Registered Fabricator for Defense Industry Parts and Projects

Snoe, Inc. provides a variety of precisely machined parts and projects for all branches of the Department of Defense. Whether it is for sea, land, air, or space, we specialize in delivering precision-made, built-to-design, and mission-critical machined assemblies to our warfighters worldwide.

Our comprehensive information and physical security program plan ensures the security of sensitive information and projects.

Our precision machinery can produce parts, components, and hardware for aircraft, missiles, space vehicles, ships, submarines, armored vehicles, tanks, and other military means of transport, equipment, and projects.

Security and Confidentiality

Our commitment extends beyond exceptional quality and precision; we prioritize the security and confidentiality of all sensitive information entrusted to us. We adhere to the highest standards of data protection, ensuring that every project is handled with the utmost integrity and security. Our mission is to be a trusted partner to the federal government and all our clients, delivering reliable, secure, and innovative manufacturing solutions.

Security Assurances

Our mission is to be a trusted partner
to the federal government and all our clients,
delivering reliable, secure, and innovative manufacturing solutions.
